

Akelc Nursery Dubai

Where young minds flourish through British excellence and Emirati warmth

Our British Heritage, Your Child's Future

Akelc Nursery brings authentic British early years education to Dubai, combining the renowned Early Years Foundation Stage (EYFS) framework with our understanding of Emirati families. We create a nurturing environment where children aged 2 to 6 years develop confidence, curiosity, and foundational skills that last a lifetime.

Our approach honours both British educational traditions and the cultural values of our community, ensuring your child receives an education that's both globally recognised and locally meaningful.

What Makes Us Special

- UK-qualified teachers with international experience
- Small class sizes for personalised attention
- Secure, purpose-built facilities in Dubai
- Partnership with families as co-educators

Learning Through Play and Exploration

Communication & Language

Rich storytelling, phonics, and conversation opportunities develop confident communicators

Physical Development

Outdoor play, movement activities, and coordination exercises build strong bodies and minds

Creative Arts

Music, dance, painting, and dramatic play spark imagination and self-expression

Cognitive Skills

Problem-solving, numeracy, and scientific exploration nurture curious thinkers

Each area of learning is woven seamlessly into daily activities, ensuring balanced development whilst keeping young children engaged and motivated.

Our Nurture-First Approach

Secure Attachments

Warm, consistent relationships with caring educators create a foundation of trust and emotional security

Individual Growth

Every child's unique pace and interests are respected, with tailored support that challenges and inspires

Cultural Respect

We celebrate diversity whilst honouring Emirati traditions, helping children develop positive identity and global awareness

Community Partnership

Regular communication, parent workshops, and family events create true partnership in your child's journey
